## Thank You

### From Mike, Kelli, Emily and Lydia Anderson

Thank you for your faithful and reliable partnership with us in our ministry with Wycliffe. We praise the Lord for blessing us with a team that has remained consistent throughout these turbulent economic times. We know of many missionaries who are having to leave the mission field or return Stateside for a season to raise more support. This makes us all the more aware of how God is daily meeting our needs and your integral part in this. Thank you for your commitment to this ministry and your willingness to sacrifice. We want to encourage you by telling of God's provision. We did lose a few supporters during this downturn but God worked through many of you to cover that shortfall. Some of you also went above and beyond to help out with Lydia's medical expenses and we are excited to see how God will continue to provide for this. We are blessed to have such an awesome team standing behind us! May God use the drama of our lives to make us into humble servants, to shape us into worthy vessels, and to sharpen us into an effective tool. To God be all the Glory,

### From Bev DeKorte

Thank you to everyone who sent cards, called and kept me in their thoughts and prayers following my recent fall. It is wonderful to be part of such a caring family.

### From Kayla Borgman

Thank you so much, Trinity Church, for your support of me through the Chippewa Endowment. I am so excited about the opportunities I have this year to lead a mission trip through Campus Ministries, and to work for Youth Works this summer. Your support has helped to make these things possible, both through fostering a passion in me for missions as I grew up at Trinity, and through your financial support through the endowment funds. In Christ...
