### **Thank You**

**From Rick and Gretchen Fisher**

*Thank you for all the continued prayers and expression of concern for Rick's twin brother, Randy, who is battling grade 4 glioblastoma brain cancer. The median survival rate is 14 months, but Randy has just passed 3 years since diagnosis thanks to many, many prayers and innovative therapy. He is having increased seizures, but has been able to live a reasonably active life. Please continue to pray for physical and mental strength, clear MRIs, seizure control and tolerance to treatment.*

If you would like to receive the prayer corner electronically, please send your name, address and email address to [barb@trinityrc.org](mailto:barb@trinityrc.org) and you will be added to our address book.
