PRAISE THE LORD! It is a miracle that I was eligible for the new heart research surgery I had at the Meijer Heart Center. The doctors could not do anything more for me until this research program became available. I feel very blessed to be the second person to have this surgery done in Grand Rapids. I thank the Lord and the doctors for this miracle. They spared my life! I am so thankful to be a part of the family of God at Trinity. Thanks to Pastor Chris and Pastor Deb for their calls and visits. I appreciate the congregation for taking time to pray for me and for making calls and visits and sending cards. Thank you to the children of the church for the beautiful get well cards you made for me. I loved each one!

What a blessing it was to be able to listen to the worship services on the radio each Sunday. Please continue to pray for me that I may be given new strength to be able to do more things. God is good! He answers prayers and performs miracles all the time! With a thankful heart!
