Ministry Highlights

American Guild of Organists:

The Holland Chapter of the American Guild of Organists (AGO) will be holding an Organ Crawl on Monday, March 13. They will be visiting three churches that evening. Trinity Reformed is one of the churches selected along with Maplewood Reformed Church and First United Methodist Church.

They will be seeing, hearing and even playing our organ and will also go into the pipe chamber.

The AGO is an organization of people who appreciate fine organs and organ music. Not all members are organists. Other members enjoy listening to and promoting organ music.

We welcome them and hope they enjoy our beautiful organ.

Spectrum Health Hospice Volunteering: We care for many end-of-life patients and their families daily and are in need of additional volunteers to provide unique and impactful support that significantly adds to their quality of life. Email us: hospice.volunteers@spectrumhealth.org or call 616.391.4240 with questions or to get signed up for our next volunteer orientation.

Sunday Morning Prayer Time: Please join us, prior to the service, for a time of prayer. It will be open for you to join anytime between 9:00am & 9:25am. Please feel free to come and leave as you want.

We Are Listening

Steven Curtis Chapman

1- You say the word and the dark turns into light
You say the word and the dead comes back to life
You say be still to the crashing waves
And the wind and the water obey
At Your word every word is alive

We are listening we are listening
Breathe Your living word into us
God breathe Your living word through us
We are listening we are listening
Let us hear the sound of Your voice
And the beating of Your heart
We are listening (we're listening)

2- You say the word the heavens open
And the rains fall down
You say the word and beauty springs
From the frozen ground
And from the ashes of the our brokenness
Comes a beauty that will take our breath
At Your word every word is alive

Holy Spirit
We come into Your presence
Please open up our hearts
And let us hear what You would say

God we're listening
We're listening
